

KLING GALLAND
PALLIATIVE CARE

Our team of Medical Social Workers helps people better cope with a serious illness or chronic disease.

- Identify personal health goals in collaboration with your physician
- Clarify choices for medical care
- Help understand disease progression
- Pinpoint quality-of-life support services
- Impart coping skills to reduce E.R. visits
- Facilitate carrying-on daily activities
- Maximize comfort and independence
- Assist with planning for the future
- Based on your individual preferences
- Services initiated by physician referral
- Serving King County

Your Single-Source Senior Care Resource™

KLINE GALLAND PALLIATIVE CARE

Our never-ending Continuum of Care continues to evolve as the needs of today's seniors do the same.

Kline Galland Palliative Care is a specialized program that assists you and your loved ones to **bridge difficult transitions** between care settings and services when dealing with the challenges of an advanced life-limiting disease.

Serving King County:

- Private Residence
- Apartment
- Assisted Living
- Adult Family Homes
- Skilled Nursing Facilities
