MAINTAINING OUR COMMITMENT

by Jeffrey D. Cohen

As I reflect on our Report to the Community for 2023, I am humbly grateful for every person that has offered continued support to Kline Galland. It is your dedication, compassion and generosity that allows us to maintain our commitment we have made to honor each person under our care with the respect and integrity they deserve.

2024 was the beginning of a new term for Kline Galland's Board Chair position. Irene Fisher's two years serving as Board Chair were powerful—adeptly navigating the challenges we face with thoughtfulness and precision, while keeping Kline Galland's mission and goals at the forefront. In her stead, we welcome Bob Simon as our 24-25 Board Chair, and are excited to continue our work with his leadership and passion. We are grateful to them for their dedication and service to Kline Galland.

Our organization entered COVID strong, and the past four years have made us even stronger—an uncommon story in similar senior care and Jewish homes around the country. Our fortunate position allows us to prepare for the next generation of care with ardor. We are focused on making investments in our staff, maintaining our excellent track record of CMS 5-star ratings, and continuing innovative investments in technology and services delivered within the community. We are grateful for our community who has remained steadfast in supporting our commitment, and we look forward to another year of continued growth, innovation, and exemplary care.

THE KLINE GALLAND DIFFERENCE

MARGIN OF EXCELLENCE

At Kline Galland, we believe that quality care should be the standard. That is why we invest in programs we know improve quality and experience so that each patient is treated with dignity and respect. This includes investing more to maintain the highest levels of excellence in care, resident life, and Jewish tradition. What we call the Margin of Excellence, these services and programs are made possible by the philanthropic commitment of our community of donors.

UNCOMPENSATED CARE

In 2023, nearly \$1.2 million in uncompensated care was required to bridge the gap between the cost of providing the highest standard of care and Medicaid's significant contribution, which covers 93% of the costs.

Healthcare reimbursements have plateaued even as the expenses of senior care continue to rise, especially given the significant increase in the elderly population anticipated over the next fifteen years.

Kline Galland's commitment to delivering exceptional care to every senior within our continuum is upheld through the generosity of donors. No matter the size of your donation, your investment plays a vital role in delivering the care, dignity and spiritual support our community expects when they receive care from Kline Galland.

HOSPICE FOCUSED CARE UNIT AT KLINE GALLAND HOME

In July of 2023, Kline Galland Home dedicated its new Hospice Focused Care Unit. This unit offers compassionate, high-quality, end-of-life care. Meticulously designed to meet the needs of hospice patients and their families, we are proud to be on the forefront of this type of care in the Pacific Northwest.

Many thanks to Frankie and Dick Loeb, whose transformational gift of \$3,000,000 in 2021 made this innovative unit possible.

HOSPICE GARDEN

Made possible by a generous grant from the Isaac N. Alhadeff Foundation, we unveiled our new Hospice Garden at Kline Galland Home in Seward Park. This space allows hospice patients and their families to step outside and enjoy nature. Featuring beautiful PNW native plants and flowers, this space offers a place of reflection and tranquility.

AN EVERLASTING TRIBUTE

Kline Galland's Tribute Walls are a beautiful way to honor the memory of your loved ones.

Prominently displayed at Kline Galland Home and the Mary Schwartz Summit hangs the beautiful memorial tribute walls. These displays, designed specifically for each location, feature individual panels with the names of loved ones and anniversary dates (in both English and Hebrew) of passing.

Kline Galland's Tribute Walls offer a heartfelt and enduring way to honor the memory of your loved ones. Each location features unique memorial tribute walls adorned with individual panels. These panels display the names of loved ones along with the anniversary dates of their passing, presented in both English and Hebrew. These thoughtful displays are programmed to automatically illuminate during the *yahrzeit*/ *meldatho*, or the anniversary of their passing, ensuring that their memory shines brightly each year.

At the Kline Galland Home, plaques are placed in the Sarah and Joshua H. Gortler Synagogue, while at the Mary Schwartz Summit, they are displayed in the Activities Center.

The Tribute Walls at Kline Galland are more than just a memorial—they are a celebration of life, a beacon of love, and a lasting tribute to those who have touched our lives.

BENAROYA COMMUNITY SERVICES

In 2023, we unveiled a new name for our community-based services program, which offers home health, home care, hospice and palliative care to seniors throughout King County. These offerings will

be a part of Kline Galland's Benaroya Community Services, a designation created in honor of Rebecca and Jack Benaroya's many years of service and generosity to Kline Galland.

Rebecca and her late husband Jack have been champions of Kline Galland for more than 44 years and provided invaluable leadership and direction to our operations and facilities during that time. It is because of amazing people and generous donors like them that we can offer an unprecedented level of dignified senior care, for now and for the generations to come.

As a senior-care health facility with 110 years of experience (and counting), Kline Galland has become a well-recognized resource for the community. Benaroya Community Services

provides customizable one-to-one health care for seniors living throughout the Puget Sound region, including home care, home health, hospice care, and palliative care. These programs allow more seniors to age in place and provide relief to busy hospitals and skilled nursing facilities.

A special thank you to Rebecca Benaroya for her decades of support.

If you would like to learn more about how Benaroya Community Services can help you or your family, please call our Senior Care Resource Line at (206) 723-INFO (4636).

CAROLINE LEGACY SOCIETY

Did you know that this organization exists because of an estate gift? Our founder, Caroline Kline Galland, was a true visionary who devoted much of her passion, energy, and considerable wealth to serving the most vulnerable in Seattle throughout her life. Before she passed away in 1905, Caroline Kline Galland included a provision in her estate plans donating \$1.4 million to establish a new "Caroline Kline Galland Home for the Aged" in Seward Park.

Over a century later, her legacy lives on in our mission and the thousands of Kline Galland residents, patients, staff, and family members whose lives we touch each year. Caroline Kline Galland's ongoing impact is a testament to the power of giving through a bequest. In honor of Caroline Kline Galland, and of all the generous members of our community who have similarly chosen to give to us in this manner, we have established the **Caroline Legacy Society**.

Each person who remembers Kline Galland in their estate plans is invited to join the Caroline Legacy Society as recognition of this critical support. Members of this group

of forward-thinking donors are invited to an annual recognition reception, and if they choose they also have their names permanently added to our legacy donor wall to inspire others.

Please contact Nate Nusbaum at (206) 456-9702 to learn more.

ARE YOU OUR SECRET ADMIRER?

If you have already included Kline Galland in your estate plans, we would love to know about it! Whether you'd like us to shout it from the rooftops to help inspire others, or whisper it to us and remain anonymous, knowing your plans allows us to express our gratitude and prepare care for the generations of seniors to come.

For more information or to let us know, please visit <https://www.klinegalland.org/are-you-our-secret-admirer/>

THANK YOU TO OUR DONORS AND SUPPORTERS

The generosity of our supporters is what powers the multitude of ways in which Kline Galland makes a difference in our community every day. Thank you to all of our donors and supporters who help make this work possible each year.
