Dear Friends and Supporters of Kline Galland,

It is the honor of a lifetime to announce that Kline Galland has reached its \$30 Million Capital Campaign goal, paving the way for our organization to continue to set the standard in senior care. The campaign reached its target thanks to the generosity of many early champions, beginning with a transformational lead gift from honorary campaign co-chairs Karen and Gary Schwartz and concluding with an impactful contribution from Rebecca Benaroya z”l. Other notable supporters include Francine and Richard Loeb, the Schultz Family Foundation, and the Herman & Faye Sarkowsky Charitable Foundation.

While the capital campaign achieved its target goal for infrastructure updates, we are extending the campaign through 2026 to raise essential funds in support of our reserves, given the significant impending cuts to federal and state budgets. Kicking off this effort, we are pleased to announce a lead gift from Amy and David Fulton. Our residents and patients are living longer than ever, but reimbursements do not meet the cost of providing the level of personalized care to which we are committed—and we only expect this gap to widen. This is a critical time in our country’s history, and the need has never been greater to support our aging family members and neighbors.

Kline Galland has helped generations of seniors and their families find dignity and respect through compassionate senior care. I humbly invite you to join us in our efforts to ensure care for our community at this pivotal time. To learn more, please contact Chief Philanthropy Officer Nate Nusbaum at NateN@KlineGalland.org or call him directly at 206-456-9702, or visit www.klinegalland.org/embracing-our-future.

What is it worth to age with dignity?

At Kline Galland, the answer to this question is at the heart of our mission. Aging with dignity is embedded in our Jewish heritage as we heed the call to honor our elders. It's at the core of what makes us different than other senior living facilities—the extra mile we go to help people age on their terms and stay connected to community. It's what distinguishes our staff: compassionate and committed people dedicated to treating residents like family.

At a moment when senior health care is facing unprecedented headwinds—it's time to turn our answer into action.

For over a century, we have helped generations of residents and patients of all backgrounds stay independent and maintain the highest quality of life possible. As our region's only Jewish non-profit comprehensive senior care agency, we know that we need to be here to offer what every one of us will need and deserve when our time comes.

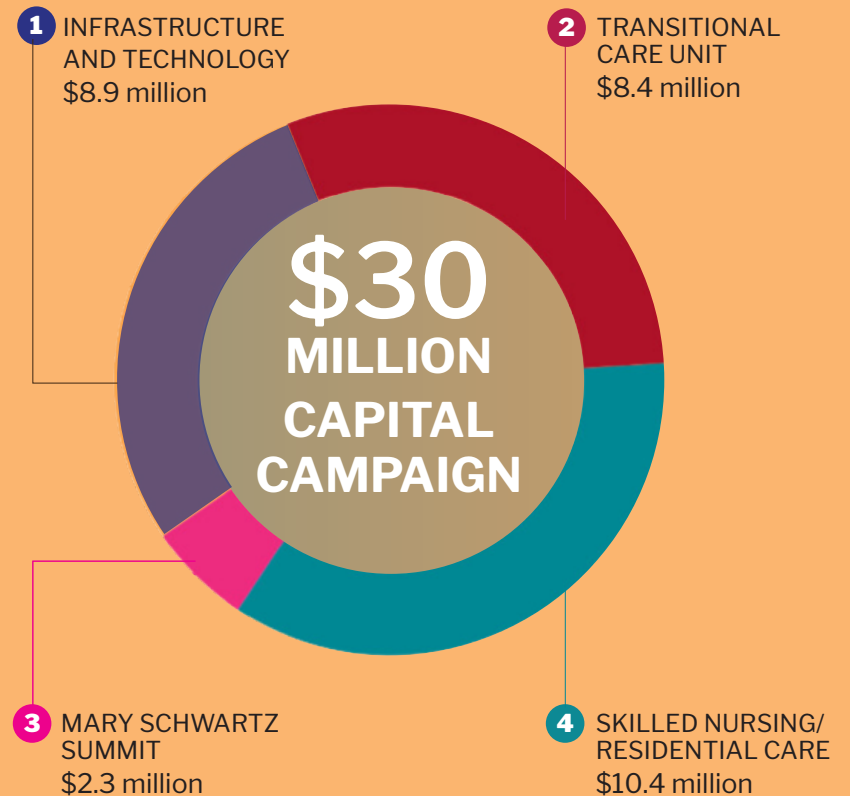

Our Campaign for the Next Generation of Care

This \$30 million campaign has set the standard for senior care—helping our families and neighbors continue to age with dignity.

Our philanthropic campaign has four defined areas of focus, all directed toward high-priority capital improvements that elevate our physical environment, equipment, and state-of-the-art technology that residents and patients in a modern senior care facility deserve. Construction has already begun and is estimated to be completed by spring 2027.

We look forward to building on this momentum as we extend the campaign into 2026 (see more on page 12).

Healthy facilities, healthy futures

SKILLED NURSING

\$10.4 MILLION

Skilled nursing and residential care: Modernized spaces, upgraded safety features, and warm, home-like environments for those with complex medical or memory care needs

INFRASTRUCTURE & TECHNOLOGY

\$8.9 MILLION

Infrastructure and technology: Energy-efficient systems, new nurse call technology, improved infection control, and security upgrades to keep residents and staff safe

TRANSITIONAL CARE & REHABILITATION

\$8.4 MILLION

Transitional care: Enhancements to the state's largest rehabilitation unit, including a new life skills center and updated gyms, supporting faster recovery, improved strength, and a safe transition home

MARY SCHWARTZ SUMMIT

\$2.3 MILLION

The Mary Schwartz Summit: Refreshed dining, fitness, and community spaces to inspire connection and wellness for independent and assisted living residents

The stories that make us

“This campaign will make a difference in everything we do, touching everyone who comes through our physical doors or receives services from us in the community, now and in the future.”

Jeff Cohen, *Kline Galland CEO*

“Years ago when I would visit my mother at Kline Galland Home, she would tell me in Ladino, ‘Thank G-d there’s a facility like this for us to live our remaining days with dignity.’ It’s important that we don’t take Kline Galland for granted.”

Becky Benaroya z”l, *Legacy Supporter*

“Because of Kline Galland’s care, and the services they provide, it’s very important that this organization does not fall by the wayside. We need to help ensure the Kline Galland Future.”

These gifts are comprised of donors from 2021-2025 as part of our ongoing efforts to raise funds for our Capital Campaign.

Where we are now

The Ongoing Opportunity

We are profoundly grateful to our early supporters, whose generosity helped us raise \$30,000,000 to make essential improvements to infrastructures and facilities to better serve our residents and patients.

Due to the rapidly changing and increased need for supplementing the excellent care we will continue to provide, we are committed to raising additional funds over the next year to address the imminent challenges in state and federal budgetary cuts.

Challenging landscape ahead for senior health care

Our one-year extension of our capital campaign will raise critical funds to help our organization ensure it is well positioned to meet the anticipated budget gaps while maintaining our commitment to high quality, compassionate care.

The campaign extension will:

- Strengthen operational funds safeguarding our future offerings and emerging service lines
- Further invest in our *Margin of Excellence* that sets us apart
- Increase the *Unmet Needs Fund* to supplement needs not met by insurance and Medicare
- Grow and protect our reserves ensuring long-term stability and growth for the not-so-distant future

Every person has a right to age with dignity *Help make a difference*

Because of donors like you, we're not focused on the next quarter of returns—we're focused on the next century of relevant, excellent care. This is our next transformative step toward a community where aging is no different from how we approach our lives: oriented around our values and striving for the best.

Chai Notes of 2025

Jay Riffkin

We are pleased to announce that Jay Riffkin has been named Chair of Kline Galland's Board of Directors. A partner at Dorsey & Whitney LLP in Seattle, Jay brings extensive experience in tax, trust, and estate planning, along with a strong commitment to community service. He has served on Kline Galland's Board since 2015 and looks forward to continuing to support the organization in this new leadership role.

KIRO Coverage

KIRO 7 News featured two meaningful Kline Galland programs, made possible through our annual Mother's Day celebration. The first highlighted our Pet Pals program and the joy animal visits bring to residents, and the second showcased our inter-generational partnership with Seattle Jewish Community School, where students and residents connected through art and conversation. We're grateful to KIRO 7 for shining light on these special moments of community and connection.

Dr. Younger

Congratulations to Dr. Jon Younger, hospice physician at Kline Galland, on being named a Health Care Heroes Award recipient by the Puget Sound Business Journal.

Dr. Younger has played a key role in the development of our Hospice Focused Care Unit and has fostered a culture of collaboration that has resulted in nearly zero turnover. We are grateful for his leadership and the impact he continues to make on hospice care in our region.

Sonja Berg

We are pleased to announce Sonja Berg as Kline Galland's new Chief Financial Officer.

A valued member of our team since 2010, Sonja has held multiple roles within the accounting department and brings experience, dedication, and strong mission alignment to this new leadership position.

Mother's Day save the date

Sunday, May 10th, 2026

Further event details coming soon! For questions, or to learn how you can support our celebration, please reach out to:

Garden Dedication

We were proud to open the new Staff Garden at the Kline Galland Campus, a peaceful space created for our team to rest, reflect, and recharge. Our sincere thanks to Betsy and Jeff Cohen for their generous gift, and to the University of Washington Department of Landscape Architecture students for designing a space that will support and inspire staff for years to come. The garden reflects our belief that outdoor spaces can foster well-being for everyone who lives, works, and visits our community.

Honoring your caregiver

“The 750 staff and 250 volunteers are the heroes. They are the reason people choose Kline Galland. They’re the heartbeat of everything we do.” Bob Simon, 2025 Board Chair

Behind every moment of care at Kline Galland is a person who chose this work because they believe in compassion, dignity, and service. Our staff and volunteers form the foundation of everything we do, and the relationships they build with residents, patients, and families are what make Kline Galland feel like home.

Honoring a caregiver with a tribute gift is a simple, thoughtful way to recognize that impact. These gifts carry gratitude forward and help ensure that exceptional care continues for those who need it most.

To learn more about making a gift in honor of your care team, contact:

IN MEMORY

Rebecca “Becky” Benaroya ז”ל

1923-2026

There are rare individuals whose generosity transforms not only an organization, but an entire community. Rebecca “Becky” Benaroya was one of those remarkable individuals.

A proud member of Seattle’s Sephardic Jewish community, Becky held a deeply personal connection to Kline Galland. Her mother spent cherished years at our Seward Park campus, and Becky carried that experience as a source of lifelong inspiration—one that grew into decades of visionary leadership and giving.

Those who knew Becky remember her warmly—genuine, welcoming, and engaging, with a zest for life that carried her to the bridge table well into her later years. She brought that same energy and enthusiasm to everything she touched, including Kline Galland.

Together with her late husband, Jack, Becky helped lay the philanthropic foundation on which Kline Galland stands today. This commitment gave rise to Benaroya Services, our Home Health, Home Care, Hospice and Palliative Care resources, and shaped our organization in ways that continue to benefit the community every day—for everyone. We are proud to carry the Benaroya name as a permanent part of our organization, a lasting testament to her vision and generosity.

As Rabbi Jonathan Sacks taught,

*“Acts of kindness never die. They linger
in the memory, giving life to other acts in return.”*

We are profoundly grateful for Becky’s vision, generosity, and enduring belief in the power of community. May her memory be a blessing.
