BOARD APPLICATION

THANK YOU for YOUR INTEREST

The generous time provided by thousands of volunteers, over generations, including Board participation, has been a vital force for good for Kline Galland and the community-at-large.

The time you have taken, by way of this questionnaire and application, is an example of the thorough and thoughtful commitment Board members provide. Your completed application is an important first step in the process for selection to serve on the Board of Directors of Kline Galland and its affiliates. The limited number of “seats” and our intent to have Board members drawn from a uniquely broad range of backgrounds and experiences further defines the path for selection.

In an effort to help us further evaluate you as a potential Board member, please tell us anything we failed to ask or anything that you would like us to know about you and/or your background. You can make the description as long or as short as you would like.

Thank you so very much for your interest in Kline Galland. Please e-mail your completed application, with any attachments, to **Angela Keophilavong** at AngelaK@klinegalland.org or mail your completed application, with any attachments to:
